## USDA ANNOUNCES ADJUSTMENTS IN 2001 PURCHASE PRICES FOR MILK AND MILK PRODUCTS

The U.S. Department of Agriculture announced on May 31, 2001 that its Commodity Credit Corporation will increase the price it pays for butter by 19.99 cents to \$0.8548 per pound, and decrease the price of nonfat dry milk by 10.32 cents to \$0.9000 per pound. The purchase prices for block Cheddar and barrel cheese remain unchanged at \$1.1314 and \$1.1014 per pound, respectively. The 2001 Appropriations Bill extended the price support program through calendar year 2001 at the 2000 support price of \$9.90 per hundredweight of milk with an annual average milk fat content of 3.67 percent. The changes were effective May 31.

The decision to change the butter and nonfat dry milk prices was based on an accumulation of nonfat dry milk stocks in quantities well above USDA's ability to use the product; the level of expenditures to USDA, and significant market distortions. The Agricultural Market Transition Act permits the USDA to adjust the balance between the purchase prices of butter and nonfat dry milk twice each calendar year under the Milk Price Support Program.

Further terms and conditions for purchases of dairy products will be announced later.

## USDA SETS HEARING TO AMEND UPPER MIDWEST MILK MARKETING ORDER

On June 26, 2001, the U.S. Department of Agriculture will hold a public hearing on proposals that would make changes to the Upper Midwest Milk Marketing Order pooling and partial payment provisions. The hearing will begin at 9:00 a.m. at the Radisson Hotel South & Plaza Tower, 7800 Normandale Blvd., Bloomington, Minnesota.

The hearing was requested by dairy farmer cooperatives and milk processors who supply and market a significant portion of milk in the Upper Midwest milk marketing area. Pooling proposals include restricting the pooling of milk on the order that is already pooled on a state-operated milk order. A proposal that would provide for separate pooling provisions for milk from areas outside the states comprising the Upper Midwest order and one that would change the advance payment to dairy farmers from milk handlers for milk delivered during the first half of the month will also be considered.

Details of the proposals and a notice of the hearing will be published in the June 11 *Federal Register*. Copies may be obtained from the Upper Midwest milk marketing order office, USDA/AMS Dairy Programs, 4570 West 77th St., Suite 210, Minneapolis, MN 55435-5037 or USDA/AMS Dairy Programs, Rm. 2968, P.O. Box 96456, Washington DC 20090-6456.
